**ADDENDUM COVID-19**

This addendum will only be activated if the health situation requires so and with the prior agreement of the Governing Council

1. Contents

The contents initially included in the teaching guide are maintained.

2. Workload and time schedule

The activities and their hours of dedication in ECTS credits marked in the original course guide will be kept. In order to guarantee distance and safety measures, theoretical and practical classes will have an attendance of 50%, with the rotation by alternate weeks of the students divided into two subgroups alphabetically. Supplementary activities (weekly hour O: total 15 h.) won't have class attendance and will be preferentially online. Teaching planning will be specified at the beginning of the term.

3. Teaching Methodology

Theory classes with attendance of 50% with the rotation by alternate weeks of the students divided into two subgroups which, according to the teacher's planning and technical availability, may be followed on the other 50% by synchronous videoconference through the Blackboard Collaborate platform or may be complemented with different types of materials and activities through the Virtual classroom.

Tutorials will be done online (through the UV corporate mail) or face-to-face by prior appointment with the teacher.

If the sanitary situation changes and no access to the University facilities is possible, teaching and tutorials will be carried out completely online. In this case, the adaptations will be communicated to the students through the Virtual classroom.

4. Evaluation

The evaluation criteria established in the Course Guide are kept. The annex to the Teaching Guide for each group will detail the activities that make up the evaluation.

If the University facilities were closed on the dates set in the official calendar for the final exam, the face-to-face exam will be replaced by an online test.
