SUMMARY

This course is taught at Maastricht University during the first semester at the first academic year.

Prof. Ute Hulsheger is the coordinator lecturer.

This course provides an overview of this master and introduction to the respective contributions of the partnering university departments to the master. Students will engage in team building exercises, and they will be acquainted with their peers, teachers, senior level students, and alumni. They will also reflect on how work and organizational psychology and research skills can help to address the challenges of a future world of work. In addition, students will be prepared for studying in a PBL environment, and they will receive information that allows them to successfully plan their study while in Maastricht, Lüneburg and Valencia.
