SUMMARY

English version is not available

Presentación o introducción a algunos problemas esenciales, en su dinámica histórica, del pensamiento estético occidental en su relación con la filosofía, la teoría o crítica de los lenguajes artísticos en su evolución y ampliación progresiva y el contexto social de las ideas o categorías estéticas más relevantes. Los ítems recogidos y la bibliografía propuesta en cada apartado tienen un carácter general orientativo para la docencia de los distintos grupos de la asignatura, sin impedir a los docentes la posibilidad de introducir un sesgo propio en el desarrollo del programa y en la elección concreta del material textual en función de los intereses académicos de la titulación de destino, Filosofía.
