TOTAL	150,00	

TEACHING METHODOLOGY

Tutorials scheduled to be held in direct and continuous supervision of the process carried out by the student for his final project work.

Students will prepare the report that the Final Grade and public presentation.

EVALUATION

May be evaluated by a court or the tutor) of the student. In both cases, public defense work. By presenting the tutor, may obtain a maximum of 8 points in the evaluation of GFR. The highest grade obtained will only be possible with the oral presentation of GFR in court.

The oral presentation before a court, public event, does not ensure a grade higher than 8 points, as the court may assign any note depending on the thoroughness and quality of GFR presented. The evaluation of the court be embodied in the Defense Act of Final Project. The "honors" be given to special GFR rigor and quality, from among those submitted to court, and provided there is unanimity among the board members and respect the rules of the University of Valencia on the allocation of license plates honor. The court, in its rating may take into account the report by the tutor, but not binding.

The tutor must authorize the submission of the TFG to court alleging that have the level of rigor and quality sufficient, bearing in mind that this option is limited to those as students whose GFR could aspire to notes greater than 8. At the request of the Committee on Final Project, the departments propose the members to assess the GFR before each deadline. The Commission's Final Project will establish the courts have to assess the GFR (chairman and two members) and their respective alternates. The tutor to the student may not be part of the court to evaluate the work of the student. The courts will be mixed with at least a doctor outside the area of knowledge the tutor of GFR. The courts shall consist of the tutor as.

In each court, and for each GFR, will be designated to a specific evaluator will read and analyze in detail the TFG and have a greater role in public debate to defend the TFG. They seek unanimity among the board members in the rating of GFR but if not possible, be counted as notice of the arithmetic mean GFR of the proposed notice three members of the court. The student will have a maximum of 20 minutes to present the most relevant defense of their GFR. Subsequently, it will open a discussion among the board members and the student not more than 40 minutes. When the GFR is assessed positively, be incorporated into an electronic repository of the University of Valencia.

When you opt for the submission to the tutor, there will be public defense work. The Commission shall establish Final Project presentation schedule, taking into account the suggestions of the tutor as and the department involved. With this form of submission to the tutor, you can never get a grade higher than 8.

In the Manual "document of instructions", to disposal of the students in the web page of the Facultat of Psicologia i Logopèdia" explains of a more extensive way the procedure of evaluation of the TFG.

The qualification of the subject as well as the review of and appeal to the allotted grades will abide to what is stipulated in the *Reglament d'Avaluació i Qualificació de la Universitat de València per a títols de Grau i Màster* (ACGUV 108/2017 of May 30, 2017).

http://www.uv.es/graus/normatives/2017_108_reglament_avaluacio_qualificacio.pdf

The copying or manifest plagiarism of any task part of the evaluation will mean the impossibility of passing the subject, subjecting themselves to the appropriate disciplinary procedures. Keep in mind that, in accordance with article 13. d) of the University Student Statute (RD 1791/2010, of December 30), it is the duty of the student body to refrain from the use or cooperation in fraudulent procedures in the evaluation tests, in the work carried out or in official university documents.

In the event of fraudulent practices, the Action Protocol for fraudulent practices at the University of Valencia will be applied (ACGUV 123/2020): <https://www.uv.es/sgeneral/Protocols/C83sp.pdf>

REFERENCES

Basic

- En la sección de TFG de la web de la Facultat de Psicologia se pueden encontrar los diferentes documentos de apoyo relacionados con el TFG, incluyendo guías específicas para el desarrollo de las diferentes modalidades de trabajo (investigación, estudio de casos y proyecto profesional).

Así mismo, en aula virtual el/la coordinador/a de TFG de cada departamento depositará presentaciones de apoyo y documentación relacionada con la protección de datos de carácter personal.

Cada tutor/a podr  asesorar en el uso de documentaci n bibliogr fica relacionada con cada tem tica en particular. Si bien, cabe esperar que el estudiantado muestre iniciativa respecto a la b squeda y selecci n de la documentaci n relevante con relaci n a su trabajo en particular.
