VIVES-FERRANDIZ SANCHEZ, LUIS	230 - Art History

SUMMARY

Its aim is to provide a global perspective , both architectural and visual arts throughout the seventeenth century in the context of modern times first in the Italian area and later european one. Different terminology, extensive historiography, Baroque chronology and geography are analyzed. The incidence of the counter Reformation, cultural and scientific framework inthe seventeenth century and the importance of the new urban requirements are also studied. Analyzes the historical and artistic development of Baroque art in Italy and in other European areas including France , Flanders, Holland, England and Central European countries.

PREVIOUS KNOWLEDGE

Relationship to other subjects of the same degree

There are no specified enrollment restrictions with other subjects of the curriculum.

Other requirements

No prior knowledge is needed

OUTCOMES

1006 - Degree in History of Art

- Dominar y conocer la bibliografía específica imprescindible para poder profundizar y ampliar los diversos temas que se plantean.
- Be able to apply the basic knowledge acquired by means of applying critical reasoning to the analysis and assessment of alternatives.
- Be acquainted with modern art.
- Capacidad para transmitir información, tanto oral como escrita, a un público tanto especializado como no especializado.
- Capacidad de análisis y síntesis a partir de la información procedente de los diversos contenidos de la Historia del Arte y su aplicación en la actividad profesional.
- Capacidad de lectura del entorno a partir del análisis, observación y deducción de la información procedente de las obras artísticas producidas a lo largo de la historia.
- Conocimiento crítico de las coordenadas espacio-temporales de la Historia del Arte.
- Visión diacrónica general de la Historia del Arte Universal.
- Visión diacrónica regional y completa de los fenómenos artísticos territoriales.
- Capacidad para reunir e interpretar datos relevantes y emitir juicios que incluyan una reflexión sobre aspectos de la producción artística en sus diferentes facetas.

LEARNING OUTCOMES

- Provide students the skills to recognize and distinguish the works of Baroque art.
- Provide an overview of Baroque culture from its political religious, economic foundations , etc.
- Analyze those historical aspects affecting the character of the art work projecting on it the mentalities of the society that produces them. Consider interinfluence shaping Western culture .

- Introduce the iconographic - iconological reading of the art works.
- . Make available to the student a specialized bibliography that allows them deeping in different aspects of the program.
