Attendance at events and external activities	5,00	0
Development of group work	5,00	0
Development of individual work	5,00	0
Study and independent work	10,00	0
Readings supplementary material	10,00	0
Preparation of evaluation activities	15,00	0
Preparing lectures	15,00	0
Preparation of practical classes and problem	10,00	0
Resolution of case studies	10,00	0
Resolution of online questionnaires	5,00	0
TOTAL	150,00	

TEACHING METHODOLOGY

Exposure of theoretical contents: The/The professor/to of the subject will expose and will explain the fundamental theoretical contents to guide to the estudiantado in the studio and understanding of the matter. The estudiantado, by his part, has to engage actively in the learning by means of the previous reading of the lesson and the complementary materials that have established in the planning of the course. Activities applied: it Consists in the commentary of sentences, dictámenes and proposals of practical cases, deploying the distinguished competitions, complementing in this way the exposure of theoretical contents. In each case, will signal the professor/to which go to be object of evaluation. Complementary activities: it will program some consistent complementary activity in a workshop, seminar or another activity related with the matter, that will schedule, in function of the availability of human and temporary resources, trying that have character interdisciplinar, already was with groups of the same or of other subjects. The activities will be able to develop in different centres to the Universitat of València.

EVALUATION

Composition of the final qualification.- The final qualification composes of a:

- 30 % OF CONTINUOUS EVALUATION.
- 70 % OF EVALUATION OF THEORETICAL And PRACTICAL KNOWLEDGES.

Activities computables in the continuous evaluation.- In the CONTINUOUS EVALUATION will value the follow-up continued and the preparation of the distinct contents of the program and will have LIKE MINIMUM TWO acts evaluables that it will be able to consist in the resolution of some practical case, test-objective test, individual work or in group, etc.

In any case, each professor/to reserves the faculty to make activities of additional continuous evaluation, that will be recorded in the corresponding Annex to the Educational Guide.

The continuous evaluation presupposes assistance and participation continued. That/ace students that by diverse reasons can not fulfil with the presencialidad, do not have right to a different continuous evaluation.

Punctuation of the continuous evaluation.- In the continuous evaluation will not obtain any punctuation if it does not surpass AT LEAST THE 40 PERCENT of the same. In consequence, those who do not arrive to the 40 percent will have zero points of continuous evaluation. It pretends with this improve the work continued of the student.

The continuous evaluation will compute so much in first as in second announcement.

The activities of continuous evaluation have the character of “no recoverable” in the second announcement.

Modality of the final test.- The modality of the FINAL TEST of knowledges (test, short questions or of development, theoretical or theoretical-practical, oral examination, etc.) will determine by each professor and will communicate to the students with the owed antelación.

In case of coincidence of examinations, will be able to vary the type of examination concerning the planned with general character (p.And., test, oral, writing).

Need to approve the Final Test.- To surpass the subject will be INDISPENSABLE to APPROVE THE FINAL TEST.

That/ace students that have taken part in some activity of continuous evaluation, but do not make the final test of the corresponding announcements, will state as NO PRESENTED in the records of the corresponding announcements of the subject.

Qualification in case of have not marked the continuous evaluation.- Those who have not taken part

regularly in the activities that allow the continuous evaluation will be evaluated/ace by the result of the final test, to which, anyway, will be able to present the students and the students enrolled/ace. In such supposition, the maximum final qualification that will be able to obtain will be of 7 points on 10. Qualification in case of concurrir automatic cause of suspense.- If concurre automatic cause of suspense, according to the criteria of this Educational Guide or of the Annex of each professor, the maximum note that will be able to obtain is a 4.
