COMPETÈNCIES

1000 - G.Estudis Anglesos

- Que els estudiants hagen demostrat posseir i comprendre coneixements en una àrea d'estudi que parteix de la base de l'educació secundària general, i se sol trobar a un nivell que, si bé descansa en llibres de text avançats, inclou també alguns aspectes que impliquen coneixements procedents de l'avantguarda del seu camp d'estudi.
- Que els estudiants sàpien aplicar els seus coneixements al seu treball o vocació d'una forma professional i posseïsquen les competències que solen demostrar-se per mitjà de l'elaboració i defensa d'arguments i la resolució de problemes dins de la seua àrea d'estudi.
- Que els estudiants tinguen la capacitat d'arreglar i interpretar dades rellevants (normalment dins de la seua àrea d'estudi) per emetre judicis que incloguen una reflexió sobre temes rellevants d'índole social, científica o ètica.
- Que els estudiants hagen desenvolupat aquelles habilitats d'aprenentatge necessàries per a emprendre estudis posteriors amb un alt grau d'autonomia.
- Demostrar una competència comunicativa i social en llengua anglesa (comprensió i expressió oral i escrita, interacció comunicativa i mediació, inclosa la correcció gramatical i estilística).
- Desenvolupar la capacitat crítica per a explicar textos literaris en anglès i identificar les convencions estètiques de moviments, etapes, gèneres, autors i obres de les literatures en llengua anglesa i les seues maneres de producció.
- Conèixer i aplicar els corrents i metodologies de la teoria i crítica literàries.

RESULTATS DE L'APRENENTATGE

Having successfully completed the course, students should be able to

1. Read Seventeenth and Eighteenth-Century literary texts critically.
2. Analyse the works' verbal texture.
3. Relate the texts' meaning to their specific circumstances of production and reception.
4. Assess to what extent texts mirror, shape or challenge specific ideological worldviews.
5. Undertake further study with a high degree of autonomy.

METODOLOGIA DOCENT

Critical evaluation of primary and secondary source material: In-class discussion of the most outstanding and controversial issues relating to the historical period, intellectual contexts, major genres, literary movements, key authors and works.

Close-reading of relevant texts taking into account the texts' specific circumstances of production and reception.

Texts (whether theoretical, practical or a combination of both) to be discussed in class will be announced in advance.

AVALUACIÓ

Assessment breakdown in the first and second calls:

Type of assessment	% of final grade
Written exam on the theoretical aspects of the course, to evaluate acquisition of concepts and ability to apply them in the texts proposed.	50
Written exam on the practical aspects of the course, to evaluate application of techniques and analysis methods as well as the students' response to the texts proposed.	50

A final average mark will only be given if all parts are marked 5 or above (in a scale from 0.1 to 10, where the top mark is 10 and a pass is 5).

The ability to communicate at the C2 (CEFR level) is required to pass the course as a whole. Students whose communication (written and/or oral) displays errors that are not consistent with the above level will fail the module regardless of their performance related to the course contents.

1. Contents

Students will be assessed on the theoretical and practical aspects already covered in class (Units 1-5). They will also be assessed on the materials that have been uploaded to the virtual classroom site for units 5-10.

2. Workload and teaching schedule

Three sets of questions on Units 5-7 have been uploaded to the students' virtual classroom site. In each case they have been guided to the exact place where they may find the answers to their questions. This has been limited to the documents that were uploaded before the beginning of the term.

By 27 April, students will be provided with the correct answers to the questions so that they may check them against their own.

On 27 April, materials and questions on units 8-10 will be uploaded to their virtual classroom site. Students will be similarly provided with answers to the questions so that they may check them against their own.

3. Teaching methodology

For units 5-10 of the syllabus, students have been provided with the following materials:

- 1- Documents uploaded to the virtual classroom site.
- 2- Sets of questions on the materials uploaded to the virtual classroom site.
- 3- Answers to the sets of questions uploaded to the virtual classroom site.
- 4- Question solving through electronic resources.

4. Assessment

Students will be assessed on the theoretical and practical aspects already covered in class for units 1-5. They will also be assessed on the materials that have been uploaded to the virtual classroom site for units 5-10.

The exam will take place electronically on the official date. The text will be available through their virtual classroom site on 29 May 2020 at 4pm.

This assessment system will be carried over to the second call.

5. Bibliography

Materials on the course syllabus are available at the virtual classroom site.
