SUMMARY

Please, see Spanish version of this Guide.

PREVIOUS KNOWLEDGE

Relationship to other subjects of the same degree

There are no specified enrollment restrictions with other subjects of the curriculum.

Other requirements

Please, see Spanish version of this Guide.

OUTCOMES

1009 - Degree in Translation and Interlinguistic Mediation(English)

- Students must have acquired knowledge and understanding in a specific field of study, on the basis of general secondary education and at a level that includes mainly knowledge drawn from advanced textbooks, but also some cutting-edge knowledge in their field of study.
- Students must be able to apply their knowledge to their work or vocation in a professional manner and have acquired the competences required for the preparation and defence of arguments and for problem solving in their field of study.
- Show ethical commitment in the field of translation and linguistic mediation as regards gender equality, equal opportunities, the values of the culture of peace and democratic values and environmental and sustainability issues, and have an understanding and appreciation of linguistic diversity and multiculturalism.
- Work as a team in the environment of translation and linguistic mediation and develop interpersonal relations.
- Work and learn autonomously and plan and manage work time in the field of translation and linguistic mediation.
- Have translation competence (direct and/or reverse) for general texts.

1010 - Degree in Translation and Interlinguistic Mediation (French)

- Students must have acquired knowledge and understanding in a specific field of study, on the basis of general secondary education and at a level that includes mainly knowledge drawn from advanced textbooks, but also some cutting-edge knowledge in their field of study.
- Students must be able to apply their knowledge to their work or vocation in a professional manner and have acquired the competences required for the preparation and defence of arguments and for problem solving in their field of study.
- Show ethical commitment in the field of translation and linguistic mediation as regards gender equality, equal opportunities, the values of the culture of peace and democratic values and environmental and sustainability issues, and have an understanding and appreciation of linguistic diversity and multiculturalism.

- Work as a team in the environment of translation and linguistic mediation and develop interpersonal relations.
- Work and learn autonomously and plan and manage work time in the field of translation and linguistic mediation.
- Have translation competence (direct and/or reverse) for general texts.

1011 - Degree in Translation and Interlinguistic Mediation (German)

- Students must have acquired knowledge and understanding in a specific field of study, on the basis of general secondary education and at a level that includes mainly knowledge drawn from advanced textbooks, but also some cutting-edge knowledge in their field of study.
- Students must have the ability to gather and interpret relevant data (usually in their field of study) to make judgements that take relevant social, scientific or ethical issues into consideration.
- Interrelate different areas of humanistic studies.
- Show ethical commitment in the field of translation and linguistic mediation as regards gender equality, equal opportunities, the values of the culture of peace and democratic values and environmental and sustainability issues, and have an understanding and appreciation of linguistic diversity and multiculturalism.
- Work as a team in the environment of translation and linguistic mediation and develop interpersonal relations.
- Work and learn autonomously and plan and manage work time in the field of translation and linguistic mediation.
- Have translation competence (direct and/or reverse) for general texts.
- Know the currents and methodologies of literary theory and criticism in the field of translation and linguistic mediation.
