### ADDENDUM COVID-19

**This addendum will only be activated if the health situation requires so and with the prior agreement of the Governing Council**

### HYBRID LEARNING MODE (BLENDED)

#### 1. Contents

The contents initially included in the teaching guide are maintained.

#### 2. Workload and teaching schedule

Maintenance of the weight of the different activities that add up to the hours of dedication in ECTS credits marked in the original teaching guide

#### 3. Methodology

Class (face to face) theory / practice + BBC synchronous video conference.

#### 4. Assessment

Maintenance of the evaluation system (continuous and final) that appears in the course's Teaching Guide. The continuous evaluation will have a weight of 20% of the final grade and will consist of the delivery of two papers by teams, which will be delivered through the Virtual Classroom. The exam, which will also be taken through the Virtual Classroom, will account for the remaining 80% of the final grade and will consist of a brief theoretical test (2 points) and two practical tests (4 points each). The exam will last 3

hours and will be held on the day and time of the official call. If a person does not have the means to establish an Internet connection and access the Virtual Classroom, he/she must contact the teaching staff by e-mail at the time of publication of this annex to the teaching guide.

## **5. Bibliography**

The recommended bibliography is maintained because it is accessible.

## **DISTANCE (ONLINE) LEARNING**

### **1. Contents**

The contents initially included in the teaching guide are reduced by approximately 15% to ensure that the essential learning objectives are achieved. Units 6, 7 and 8 in the teacher's guide will not be taught or evaluated. However, the teaching staff will make material from these units available to students through the Virtual Classroom, so that students who wish to do so may use it.

### **2. Workload and teaching schedule**

Reducing the weight of some activities and replacing them with others, while maintaining the volume of work set out in the original teaching guide.

### **3. Methodology**

- Publication of materials in the Virtual Classroom
- BBC Synchronous Videoconference
- BBC Asynchronous Videoconference
- Transparencies with locution
- Problems / exercises solved (practical classes / laboratories)
- Project development
- Tutorials by videoconference
- Virtual Classroom Forum

### **4. Assessment**

Maintenance of the evaluation system (continuous and final) that appears in the course's Teaching Guide. The continuous evaluation will have a weight of 20% of the final grade and will consist of the delivery of two papers by teams, which will be delivered through the Virtual Classroom.
