SUMMARY

See Catalan or Spanish version.

PREVIOUS KNOWLEDGE**Relationship to other subjects of the same degree**

There are no specified enrollment restrictions with other subjects of the curriculum.

Other requirements

See Spanish version.

OUTCOMES

1010 - Degree in Translation and Interlinguistic Mediation (French)

- Students must have acquired knowledge and understanding in a specific field of study, on the basis of general secondary education and at a level that includes mainly knowledge drawn from advanced textbooks, but also some cutting-edge knowledge in their field of study.
- Students must be able to communicate information, ideas, problems and solutions to both expert and lay audiences.
- Students must have developed the learning skills needed to undertake further study with a high degree of autonomy.
- Show ethical commitment in the field of translation and linguistic mediation as regards gender equality, equal opportunities, the values of the culture of peace and democratic values and environmental and sustainability issues, and have an understanding and appreciation of linguistic diversity and multiculturalism.
- Apply information and communication technologies and computer tools to translation and linguistic mediation.
- Adapt to different work environments in the field of translation and linguistic mediation.
- Apply quality criteria to work in the field of translation and linguistic mediation, following the specifications of the European quality standard EN-15038:2006.
- Have competence in direct and/or reverse interpreting of general texts.
- Compare and analyse the constituents of one's own language with those of other languages, in order to apply them to translation and linguistic mediation.
