PREVIOUS KNOWLEDGE

Relationship to other subjects of the same degree

There are no specified enrollment restrictions with other subjects of the curriculum.

Other requirements

See Catalan or Spanish version.

OUTCOMES

1009 - Degree in Translation and Interlinguistic Mediation (Engl)

- Students must have acquired knowledge and understanding in a specific field of study, on the basis of general secondary education and at a level that includes mainly knowledge drawn from advanced textbooks, but also some cutting-edge knowledge in their field of study.
-
-
- Students must be able to communicate information, ideas, problems and solutions to both expert and lay audiences.
- Show ethical commitment in the field of translation and linguistic mediation as regards gender equality, equal opportunities, the values of the culture of peace and democratic values and environmental and sustainability issues, and have an understanding and appreciation of linguistic diversity and multiculturalism.
-
- Apply information and communication technologies and computer tools to translation and linguistic mediation.
-
- Know the main translation techniques and standards in their socio-cultural context.
- Master new information and communication technologies applied to translation and linguistic mediation.
- Master documentation techniques for translation and linguistic and cultural mediation.

- Know, use and create terminological databases and lexicographic tools that are significant for translation and linguistic mediation.
- Compare and analyse the constituents of one's own language with those of other languages, in order to apply them to translation and linguistic mediation.

1010 - Degree in Translation and Interlinguistic Mediation (French)

- Students must have acquired knowledge and understanding in a specific field of study, on the basis of general secondary education and at a level that includes mainly knowledge drawn from advanced textbooks, but also some cutting-edge knowledge in their field of study.
