SUMMARY

General Translation from German into Language A is a compulsory subject in the first term of the third year of the Degree in Modern Languages and their Literatures. The aim is to introduce students to the practice of translating different types of text from German into Spanish and/or Valencian. The course is designed to put into practice the knowledge acquired in the language subjects, so that students acquire a translating competence that opens up a range of possible future professional environments.

PREVIOUS KNOWLEDGE

Relationship to other subjects of the same degree

There are no specified enrollment restrictions with other subjects of the curriculum.

Other requirements

There are no restrictions for access to this course, although it is recommended that the student has German and Spanish/Catalan language proficiency at B2 level.
