WORKLOAD

ACTIVITY	Hours	% To be attended
Graduation project		100
Development of a final project	300,00	0
TOTAL	**300,00**	

TEACHING METHODOLOGY

1. The TFG must always be under the supervision of an academic tutor or an academic tutor. HeGuardian or guardian may be any doctoral professor or teacher with dedication in timeComplete that belongs to the area of knowledge to which the Final Project is assigned toFeasibility Plan.The tutor or the tutor is responsible for explaining to the students and the students the characteristicsof the TFG, to guide them in their development and to ensure compliance with the objectives fixed

2. The TFG Commission may authorize a work to be supervised by more than one tutor.In this case, at least one of the tutors or guardians must comply with the provisions of the previous section iIt will be this one or the one who proposes to co-operate with the Commission.

3. The tutoring of the work will be reflected in the POD of the professor or professor and will berecognized in the terms established in the regulations regulations of the University. If thetutoring is shared by more than one professor at the University of Valencia,the acknowledgment will be distributed among all of them.

4. If the TFG is carried out in an institution, organization or company other than the University ofValencia, this will have to appoint a tutor or tutor who, as an external tutor orexternal tutor, must collaborate, along with the academic tutor or the academic tutor, at thedefinition of the content of the TFG and its development.

EVALUATION

The TFG will be evaluated by a commission of three competent members in the language of the maior in which the work is written.

The knowledge and competences of the type of work and of the subject treated, its defense and the grammatical knowledge and communicative competences in language B will be evaluated.

In order to issue the corresponding quantitative and qualitative qualification, the court will take into account the following aspects:

- Objectives, methods and results obtained.
- Structure and formal presentation of the work.
- Use of and references to the sources consulted.
- Oral defenseGrammar and stylistic correction of the use of the language of the maior.

The inclusion of material belonging to third parties not correctly identified as such that could be considered plagiarism by the court will mean the dismissal of the TFG and the qualification of suspense.

The tutor may reject the work submitted 15 days before the end of the deadline for submission of the official call.
