- Desarrollar la capacidad para trabajar en equipo, con las funciones de liderazgo propias y con las habilidades de argumentación y estructuración del debate en grupo en aras a conseguir el correcto y fluido funcionamiento del grupo humano asignado.
- Analizar de forma autónoma, creativa y crítica, con argumentos jurídicos sólidos y elaborados, la materia seleccionada para la investigación y sus matices transversales.
- Ser capaz de realizar un estudio de investigación multidisciplinar desde la perspectiva de género metodológicamente adecuado y competitivo para ser publicado en revistas científicas indexadas.

LEARNING OUTCOMES

In this regard the most important issues at present are present in any model of protection of women subjected to abuse of power, especially focused on the judicial protection against them and the eradication of crime are addressed. This will be based on experience with the Spanish explanation of complex social , police and judicial framework for that purpose . It is critically reflect on the most sensitive legal issues involved in this system to provide them knowledge and interest when selecting the item and will eventually develop the methodological tools which implement Module II and IV.

This section may contrast their national systems with a real, modern and equipped with enormous practical experience nuances , developing a comprehensive and multidisciplinary knowledge of the specific problem under study . Thus, the / the student / to have the necessary expertise to deal with such designs complex and coordinated on the basis of equality , justice and security protection. Also, from this point will have a plurality of topics of interest - something that is essential if we think that this is a studio whose ultimate goal is the initiation and consolidation in the research activity and future qualification as a doctor who for fixing the thematic areas which will work in future doctoral thesis.

A set of modules substantive and procedural nature of classroom acquire. Along with the modules of a criminal nature , where all the possible criminal offenses will be studied , explanatory modules Protocols Police action , the Centre Female 24 hours or the like, health and social services , the Institute of Legal Medicine , Courts will be held , Job Shift , etc. .

With this training , students should obtain a set of skills necessary to move both in a national context , mainly , and internationally as a pioneer system guarantees to abused women and their rights violated , on the basis of justice, safety and professional ethics, as to have a wide range of current issues related to the field of activity of Courts , which allow to set the thematic areas which will work in future doctoral thesis.
