2143 - M.D. in Archaeology	7 - External internships	Optional

Coordination

Name	Department
DIEZ CASTILLO, AGUSTIN ANGEL	360 - Prehistory, Archaeology and Ancient History
OROZCO KOHLER, MARIA TERESA	296 - Prehistory and Archaeology

SUMMARY

The optional subject "external Practices" is for those students who wish to acquire professional training profile. It aims to provide students with practical experience necessary for professional practice through participation in archaeological field activities conducted by professional companies, universities or institutions linked to the archeological heritage, just as is contemplated internships in museums or other institutions related to the Archaeological Heritage Conservation.

PREVIOUS KNOWLEDGE

Relationship to other subjects of the same degree

There are no specified enrollment restrictions with other subjects of the curriculum.

Other requirements

Have completed at least 20 credits of obligatory character of the Master.

OUTCOMES

2143 - M.D. in Archaeology

- Capacidad para delimitar las características de un yacimiento arqueológico y su interés
- Students should be able to integrate knowledge and address the complexity of making informed judgments based on incomplete or limited information, including reflections on the social and ethical responsibilities associated with the application of their knowledge and judgments.
- Integrarse en el trabajo arqueológico en equipo, considerando la diversidad de campos de actuación y la formación que implica la labor de campo o la investigación arqueológica.
- Valorar las estrategias de desarrollo de la actividad de campo y de gestión, o de investigación en Arqueología. Habida cuenta de que cualquier actividad de campo, de gestión o de investigación en Arqueología requiere una adecuada comprensión de los objetivos, tiempos, medios y recursos disponibles, así como una planificación adecuada de las metodologías y acciones a llevar a cabo en relación con los mismos.
- Adquirir y asumir los principios de la ética profesional o investigadora en relación con la Arqueología de cara a su futura labor profesional y respetar la legislación en materia de Patrimonio arqueológico.
- Analizar y sintetizar información de manera crítica. Trabajar de forma autónoma, resolviendo problemas y tomando decisiones.

LEARNING OUTCOMES

The learning results will be reflected in the report of 2000 words, which will allow teachers to assess the level of knowledge and skills acquired by students.

DESCRIPTION OF CONTENTS

1. EXPractices

EXPractices

External practices

Realization of professional activity in archeology companies, public institutions (museums, research services, etc..).

WORKLOAD

ACTIVITY	Hours	% To be attended
Internship		100
