ADDENDUM COVID-19

This addendum will only be activated if the health situation requires so and with the prior agreement of the Governing Council

The teaching of the subjects will preferably be carried out in person, except for those subjects that are usually taught online according to their Teaching Guide. Presence in the classroom will be limited by the maximum number of students that can coincide, in accordance with the safety rules and protocols established by the authorities depending on the health circumstances. If normal attendance at class of teachers and students, according to the indications of the Center and the corresponding services of the UV, is not possible, it will be considered the attendance at the classroom of a part of the students, and the monitoring of the class for the rest by synchronous videoconference, which will may also be recorded. If no type of assistance is possible, the teaching staff will provide the digital material that may be in a varied format (texts, audios, videos, etc., available without restriction of rights or of own elaboration), as well as videoconference sessions with students that can be recorded to facilitate their asynchronous consultation. In any case, the reception of all the contents of the subject by the students will be guaranteed.

Evaluation

If evaluation activities (attendance to classes and tutorials, oral presentation of works, debates) cannot be carried out, as a consequence of the health circumstances, these will be carried out by virtual means (Virtual Classroom, forums, videoconferences, questionnaires or other resources, as email). The evaluation percentages indicated in the Teaching Guide remain unchanged.
