**SUMMARY**

Original research project on bibliography and archive sources, under a professor's direction.

**PREVIOUS KNOWLEDGE****Relationship to other subjects of the same degree**

There are no specified enrollment restrictions with other subjects of the curriculum.

**Other requirements**

**COMPETENCES (RD 1393/2007) // LEARNING OUTCOMES (RD 822/2021)**

**2197 - Master's degree in History and Identities in the Western Mediterranean (15t**

- Students should apply acquired knowledge to solve problems in unfamiliar contexts within their field of study, including multidisciplinary scenarios.
- Students should be able to integrate knowledge and address the complexity of making informed judgments based on incomplete or limited information, including reflections on the social and ethical responsibilities associated with the application of their knowledge and judgments.
- Students should communicate conclusions and underlying knowledge clearly and unambiguously to both specialized and non-specialized audiences.
- Students should demonstrate self-directed learning skills for continued academic growth.
- Students should possess and understand foundational knowledge that enables original thinking and research in the field.
- Identify and use information retrieval tools, such as bibliographical repertoires, archival inventories and e-references, to solve research questions concerning the Western Mediterranean in early modern age.
- Elaborate and handle written reports and research procedures for questions concerning the early modern history of the Western Mediterranean.
- Analyze with a critical perspective works and research on the western Mediterranean in the early modern age.
- Use information and communication technology (ICT).
- Approach European early modern history from a comparative perspective.
- Use the most relevant methods and technics for problem resolution in the different fields of early modern historical research.
- Define research topics on early modern history.
- Comment, anotate and edit texts and documents correctly.
- Organise complex historical information in coherent form.
- Plan, carry out and present in oral and written form a research-based contribution to historiographical knowledge, according to the statute of the discipline.
- Analyse local and regional early modern history of the western Mediterranean.
- Understand that historical knowledge is always under construction and compare and evaluate different historiographical perspectives.

**LEARNING OUTCOMES (RD 1393/2007) // NO CONTENT (RD 822/2021)**

The student will be able to justify the topic, to elaborate a state of the matter, to search, locate, read, extract and analyze information from documentary and bibliographic sources, under the supervision of his or her tutor, relate it to the knowledge that he or she has acquired in the Master, and prepare an original essay, which will be written according to the canons of the discipline. He or she will orally defend it before a professors commission.

**DESCRIPTION OF CONTENTS****1. Contents**

The student will elaborate an specialized, individual research work, under the supervision of a professor, about a subject related to the history and the identities of early modern western Mediterranean, in any of the fields studied in the Master. The student must demonstrate that he or she has acquired the necessary skills and knows how to apply the methodological and interpretive resources. The work will be based on documentary and bibliographic sources and must have a minimum length of 50 pages (at 2,100 characters per page).

**WORKLOAD**

ACTIVITY	Hours	% To be attended
Graduation project		100
Readings supplementary material	200,00	0
Preparation of evaluation activities	150,00	0
Development of a final project	25,00	0
<b>TOTAL</b>	<b>375,00</b>	

**TEACHING METHODOLOGY**

English version is not available

**EVALUATION**

Oral presentations	20	20
Written essays	80	50
