SUMMARY

Community mediation allows you to manage alternatives for the resolution of conflicts between people at the community level, on the basis of dialogue and equal opportunities.

Likewise, community mediation, understood from, in and for the community, has the potential to become a tool that enables active and co-responsible citizen participation in the peaceful resolution of community conflicts, applying mediation strategies and procedures, facilitating and generating actions that promote their prevention.

ADDENDUM COVID-19

This addendum will only be activated if the health situation requires so and with the prior agreement of the Governing Council

This subject maintains the planned contents, the way to approach them and the evaluation system, according to what appears in the Teaching Guide. It is foreseen, if the health situation allows it, to be developed with face-to-face teaching and with the whole group together, maintaining in any case the security measures, and in a sufficiently wide space, that allows it to be done properly. If necessary, courses and evaluation will be online.
