## OUTCOMES

### 2192 - M.U. en Acción Social y Educativa

- Students should apply acquired knowledge to solve problems in unfamiliar contexts within their field of study, including multidisciplinary scenarios.
- Students should be able to integrate knowledge and address the complexity of making informed judgments based on incomplete or limited information, including reflections on the social and ethical responsibilities associated with the application of their knowledge and judgments.
- Students should communicate conclusions and underlying knowledge clearly and unambiguously to both specialized and non-specialized audiences.
- Students should demonstrate self-directed learning skills for continued academic growth.
- Students should possess and understand foundational knowledge that enables original thinking and research in the field.
- Comprender y utilizar conocimientos avanzados en el contexto de la investigación socioeducativa.
- Evaluar teorías y metodologías para formular juicios críticos sobre la propia práctica socioeducativa y el contexto en el que se desarrolla.
- Anticipar consecuencias y situar en el desarrollo histórico las problemáticas concretas del contexto de intervención socioeducativa.
- Asumir la responsabilidad de su propio desarrollo profesional y de su especialización en el ámbito social y educativo.
- Problematizar realidades sociales complejas e intentar resolver situaciones y conflictos, que desde una perspectiva socioeducativa requieren la comprensión y puesta en relación de intereses divergentes.
- Reconocer y valorar la diversidad y la diferencia y su papel en la intervención social y educativa.
- Analizar los entornos, los contextos y las experiencias de la acción social y educativa, para revisar críticamente, diseñar y desarrollar los principios y presupuestos de la intervención.

- Saber diseñar, utilizar y evaluar estrategias de comunicación y habilidades sociales, tanto en grupos interdisciplinares de expertos como en la relación con los sujetos de intervención.
- Saber participar y liderar procesos de investigación pertinentes para comprender, explicar y dinamizar la acción social y educativa.
- Desarrollar estrategias para la problematización, el análisis y la investigación de la acción social y educativa, con el objetivo de diseñar y revisar vías para la intervención.
- Analizar y sintetizar situaciones, aportaciones teóricas y metodológicas, y estrategias diversas de intervención.

## ADDENDUM COVID-19

This addendum will only be activated if the health situation requires so and with the prior agreement of the Governing Council

*This subject maintains the planned contents, the way to approach them and the evaluation system, according to what appears in the Teaching Guide. It is foreseen, if the health situation allows it, to be developed with face-to-face teaching and with the whole group together, maintaining in any case the security measures, and in a sufficiently wide space, that allows it to be done properly. If necessary, courses and evaluation will be online.*
