SUMMARY

This course aims to know and value mediation as an essential instrument for intercultural coexistence processes, as well as to understand its use as a particular angle of mediation and to find arguments to value its educational possibilities.

Likewise, the different models of intercultural mediation will be analyzed, describing the functions of the mediator in each one of them and analyzing experiences of practices and projects of intercultural planning and intervention, becoming familiar with the key factors for the elaboration and design of said intercultural mediation projects.

Previous knowledge. Relationship with subjects of the same degree:

Together with the rest of the subjects of the Mediation specialty, it completes the master's training and facilitates the acquisition of basic, general, transversal and also specific itinerary skills. No enrollment restrictions specified with other subjects in the curriculum.

OUTCOMES

2192 - M.U. en Acción Social y Educativa

- Students should apply acquired knowledge to solve problems in unfamiliar contexts within their field of study, including multidisciplinary scenarios.
- Students should be able to integrate knowledge and address the complexity of making informed judgments based on incomplete or limited information, including reflections on the social and ethical responsibilities associated with the application of their knowledge and judgments.
- Students should communicate conclusions and underlying knowledge clearly and unambiguously to both specialized and non-specialized audiences.
- Students should demonstrate self-directed learning skills for continued academic growth.
- Students should possess and understand foundational knowledge that enables original thinking and research in the field.
- Problematizar realidades sociales complejas e intentar resolver situaciones y conflictos, que desde una perspectiva socioeducativa requieren la comprensión y puesta en relación de intereses divergentes.
- Integrarse y liderar equipos de trabajo interdisciplinares, para ofrecer una perspectiva compleja en el análisis de situaciones y el diseño de intervenciones.
- Reconocer y valorar la diversidad y la diferencia y su papel en la intervención social y educativa.
- Analizar los entornos, los contextos y las experiencias de la acción social y educativa, para revisar críticamente, diseñar y desarrollar los principios y presupuestos de la intervención.

- Analizar críticamente los discursos de la relación educativa, y construir los elementos de revisión de la propia identidad profesional y de la relación con el otro.
- Conocer y analizar las tendencias de la intervención socioeducativa y sus consecuencias en las políticas públicas.
- Saber diseñar, utilizar y analizar críticamente los medios y las tecnologías para dinamizar la acción social y educativa.
- Saber diseñar, utilizar y evaluar estrategias de comunicación y habilidades sociales, tanto en grupos interdisciplinares de expertos como en la relación con los sujetos de intervención.
- Saber participar y liderar procesos de investigación pertinentes para comprender, explicar y dinamizar la acción social y educativa.
- Analizar las políticas socioeducativas en los diversos contextos e interpretar las formas de intervención que plantean.
- Desarrollar estrategias para la problematización, el análisis y la investigación de la acción social y educativa, con el objetivo de diseñar y revisar vías para la intervención.
- Analizar y sintetizar situaciones, aportaciones teóricas y metodológicas, y estrategias diversas de intervención.

ADDENDUM COVID-19

This addendum will only be activated if the health situation requires so and with the prior agreement of the Governing Council

This subject maintains the planned contents, the way to approach them and the evaluation system, according to what appears in the Teaching Guide. It is foreseen, if the health situation allows it, to be developed with face-to-face teaching and with the whole group together, maintaining in any case the security measures, and in a sufficiently wide space, that allows it to be done properly. If necessary, courses and evaluation will be online.
