WORKLOAD

ACTIVITY	Hours	% To be attended
Theory classes	17,00	100
Tutorials	8,00	100
TOTAL	25,00	

TEACHING METHODOLOGY

The sessions will follow a participatory lecture method, where attending classes is fundamental. To do this it is recommended, if specified by the teacher, the student previously prepared the contents of each of the sessions from the references recommended and materials provided in advance by the faculty.

The main channel of communication between teachers and students is the aula.virtual@uv.es platform.

EVALUATION

The subject will be evaluated with the attendance and active participation to the foreseen sessions. To pass the course, a report must be presented for each session of at least 4 of the 5 programmed sessions. The student is reminded that copying is forbidden and that this action will be severely punished. The URKUM anti-plagiarism programme will be passed
