ID/Passport: M95011932

Doctoral Programme in Programa de Doctorado en Biomedicina y Biotecnología

Thesis Number: 19266

Doctoral School

University of Valencia

SUBJECT: Notification of the Decision of the Academic Committee of the Doctoral Programme - Authorization for Submission of Doctoral Thesis

Dear Mr./Ms. AMRE ALMHASSNEH ,

I am pleased to inform you that, on 8 de julio de 2026 , the Academic Committee of the Doctoral Programme in Programa de Doctorado en Biomedicina y Biotecnología , in accordance with the Regulations for the Submission, Evaluation and Defense of the Doctoral Thesis of the University of Valencia and other applicable regulations, has agreed to authorize the submission of the doctoral thesis submitted by Mr./Ms. AMRE ALMHASSNEH , titulada "Towards understanding the molecular basis of colorectal cancer in young adults " , supervised by Mr./Ms. M ANGELES JUANES ORTIZ , with the purpose of initiating the public display period and the subsequent process of appointment and actions of the evaluation committee.

This resolution is communicated for all pertinent purposes.

Sincerely,

María José Aradilla Marqués

General Secretary

Universitat de València

Administrative information:

In the coming days, and once the submission has been authorized, the doctoral candidate will be enrolled by the administrative services of the Doctoral School in the "doctoral thesis" module.

Through the service portal: Intranet.uv.es - Student - Enrolment - Receipt Payment, the corresponding payment can be made via the University of Valencia's online payment platform.

Once the corresponding amount has been paid, the candidate must contact their faculty or centre to request the public display of the doctoral thesis, attaching the proof of payment for the thesis enrolment.
